# Who Are We?

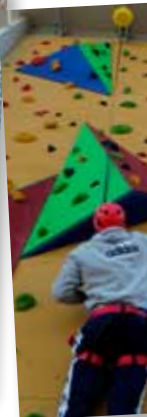

Youthtown is a non-profit organisation set up to enrich the lives of young New Zealanders by providing them with opportunities for fulfilling physical, social and creative experiences.

The organisation turns 80 next year and since first opening its doors as Boys Town in 1932, it has evolved into one of New Zealand's leading youth organisations.

We are highly regarded for the services, programmes and events we offer young people and we're committed to providing safe environments where young New Zealanders can discover fun and adventure. Whether out on the water, in an art studio or on the basketball court, every Youthtown programme is designed to build self-esteem and confidence through participation.

Youthtown is delighted to be opening its doors in Papakura at the Red Hill Community Centre where we will continue to strengthen our In-Schools Sport Coaching Programme and provide holiday programmes and after school activity for 10-13 year-olds in the area.

Youthtown currently has branches in North Shore, Auckland Central, Taupo, Upper Hutt, Oamaru and Christchurch.
